

Registration

Registration closes on Friday 18th June 2010. The registration fee includes transfers from Cairns Airport to the Sea Temple Resort in Port Douglas. Breakfast is included each morning while refreshment breaks, lunches and dinners will be provided as per the agenda. A full day snorkelling trip is included on Sunday 12th September.

Course fee

Orthodontists: \$1,590.00 + GST (Early Bird \$1,390.00 + GST)
Extra guests: \$750.00 + GST (Early Bird \$650.00 + GST)
Postgraduate students: Free

Early Bird registration applies to confirmations received before the 21st May 2010.

Contact

Fees can be charged either directly to your account or to a credit card. Please contact Mathew Lazarow at Impact Events to register.

Contact: (03) 9535 3600
E-mail: info@impactevents.com.au

You must register and pay before 18th June 2010. Any cancellations after this date may incur fees subject to the booking conditions of the Sea Temple Resort.

Getting there

The closest airport to Port Douglas is located in Cairns, which is approximately 45 minutes away by car. ABO will provide transport to Port Douglas departing from Cairns Airport at 1pm and at 3pm to travel to the Sea Temple Resort on Thursday 9th September. Alternatively, you can make your own travel arrangements.

AB Orthodontics and RMO Present

Improving treatment efficiency

Dr. Anil Idiculla
Port Douglas, 10th – 12th September, 2010

Dr. Anil Idiculla

Dr. Anil J. Idiculla attended dental school at Nova Southeastern University as a Chancellor's Scholar, and graduated first in his class with Dean's Awards in both Academic Distinction and Clinical Excellence. Dr. Idiculla then received his Orthodontic Certificate from the University of Pennsylvania, as well as the Orthodontic Research Award of Special Merit for his study on the soft tissue effects of vertical control in orthodontic treatment.

Dr. Idiculla practices as a board certified orthodontist in Lone Tree as well as downtown Denver. Dr. Idiculla is also a clinical instructor at the University of Colorado Health Science Center, Department of Orthodontics. He serves on the Dental Clinical Board of Modern Dental in the orthodontic division. He also serves as a board member of the MDDS Membership Committee and the MDDS Student Committee. He is an active member of the American Association of Orthodontics, Colorado Summer Meeting, Rocky Mountain Society of Orthodontics, Colorado Association of Orthodontists, and the Metropolitan Denver Dental Society.

Topics to be covered:

- > Potential improvements in practice efficiency.
- > The importance of keeping techniques and biomechanics simple.
- > Using temporary anchorage devices to achieve improved patient outcomes.
- > Paying attention to the precision and details required for each phase of treatment.
- > An update on indirect bonding and how this can revolutionise your practice.
- > The ongoing review of final results as a means of making continuous improvements.

Proudly presented by:

Tours & Activities

Snorkelling Day Trip

We will explore the outer Great Barrier Reef in superb style and comfort with the ultramodern 29 metre catamaran, Silversonic – custom-designed for the thrill of diving and snorkelling. We'll spend over 5 hours exploring the delights of the underwater world in 3 different and exclusive sites around the renowned Agincourt Ribbon Reef.

Sea Temple Facilities: Golf, Spa & Pool

You will find a range of activities to enjoy at Sea Temple Resort & Spa during free time. You can relax in the new and luxurious Mii Day Spa with a selection of facial treatments, massages, wraps, pedicures, manicures and treatments for both men and women. Visit the 18-hole golf course with lush tropical views, or you can simply lounge beside the lagoon pool and enjoy the fabulous surroundings.

Other Activities

The resort can also assist you with arranging your own touring experiences to explore the Port Douglas area.
